

Office design, build
& fit out specialists

elm
WORKSPACE

Whether you require a single desk or
a full design concept with furniture
installation, our team is happy to help.

About Us

With over 30 years of experience in furniture supply and workspace design for both commercial offices and education, we have created thousands of inspiring spaces designed to encourage wellbeing and increase productivity.

We know that the right product in the right environment can make a world of difference, and we've got the unrivalled experience required to specify furniture that's an ideal fit for your budget and requirements.

Whether you require a single desk or a full design concept with furniture installation our team is happy to help.

& Installation

Optimising layouts for efficiency and comfort

Our Process

From idea to installation, we manage every stage of your project. With our team of office design and space planning experts, your bespoke office design starts here.

Ideas & Goals

Your ideas, needs and goals are at the heart of every Elm Workspace design – making it the perfect starting point for your project.

Planning & Design

You'll start to see your dream workspace come together, as we share layouts, product selections and branded elements with you.

Installation & Handover

From delivery to fit out, we cover every detail of the installation process for a flawless finish. We handle all the heavy lifting (literally!).

Refurbishing offices into productive, creative spaces.

Office Fit Out

Fitting bespoke offices that fuel productivity.

Office Design & Space Planning

Delivering practical solutions on time and on budget.

Office Furniture Installation

Sourcing the best furniture to suit your needs.

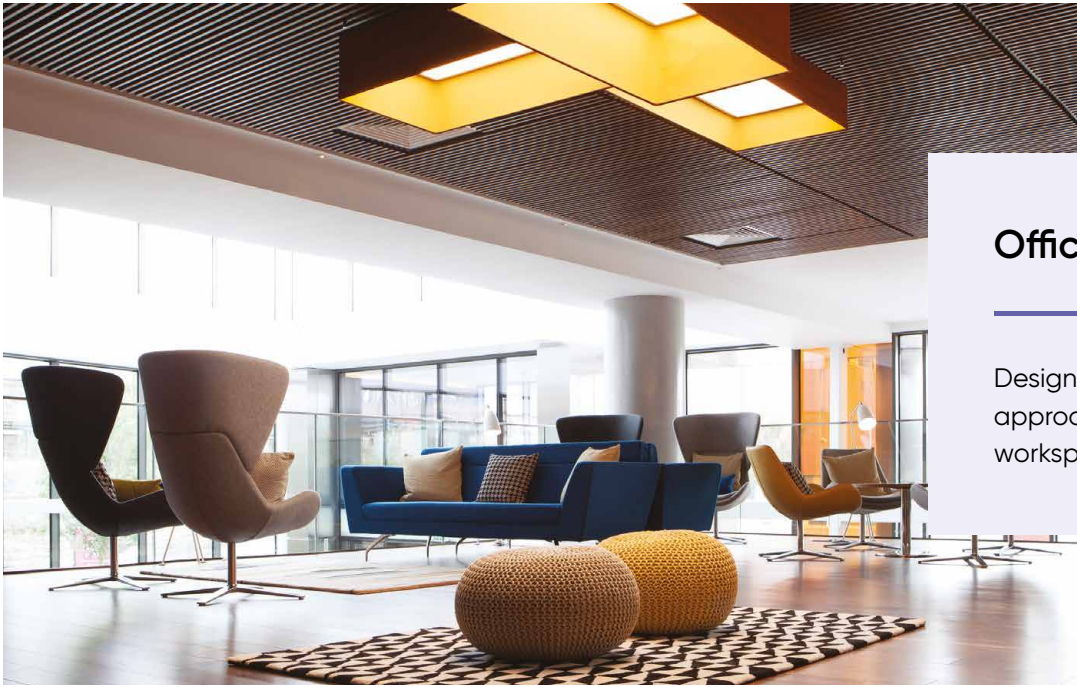

Commercial Office Fit Out

A great office helps your people focus, collaborate and feel proud of where they work.

Educational Furniture

Durable, high-quality educational furniture for all UK learning environments.

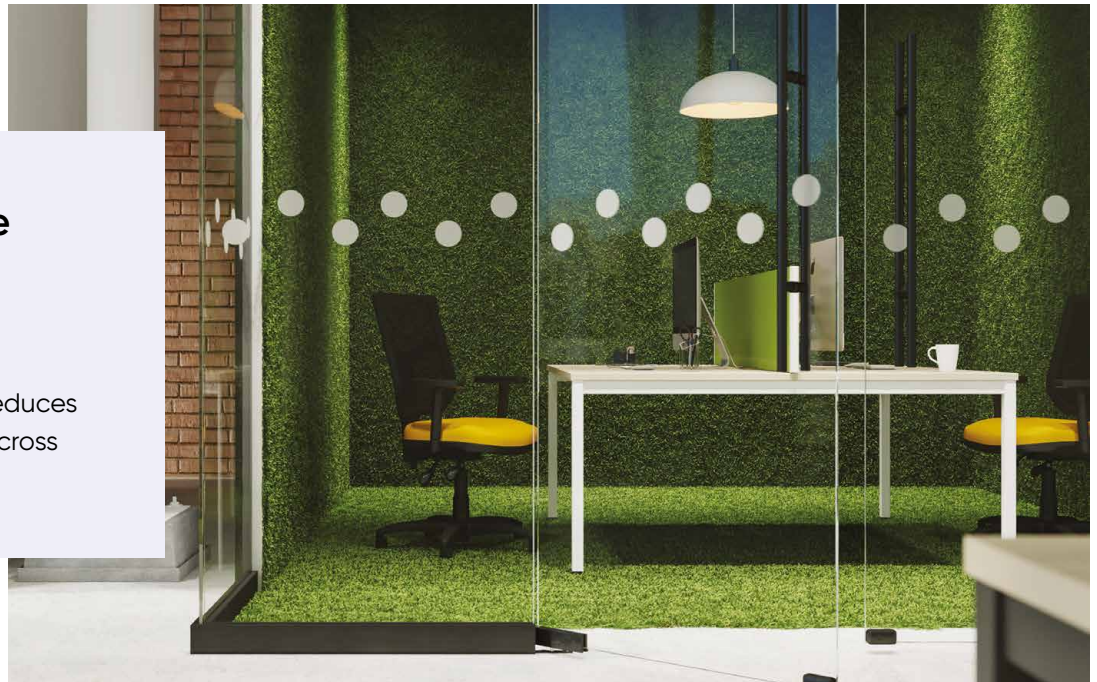

Office Design & Build

Design and build is a single-partner approach to creating a new workspace.

Sustainable Office Design

Create a workplace that reduces its environmental impact across its whole lifecycle.

Dedicated to thoughtful and sustainable sound solutions.

Designed to balance performance with visual appeal, Elm Acoustics creates products that enhance spaces both acoustically and aesthetically. Each panel is developed to meet the needs of modern interiors where function, design and wellbeing come together.

Sustainability sits at the core of the brand, with every acoustic panel made from recycled materials to reduce environmental impact without compromising performance.

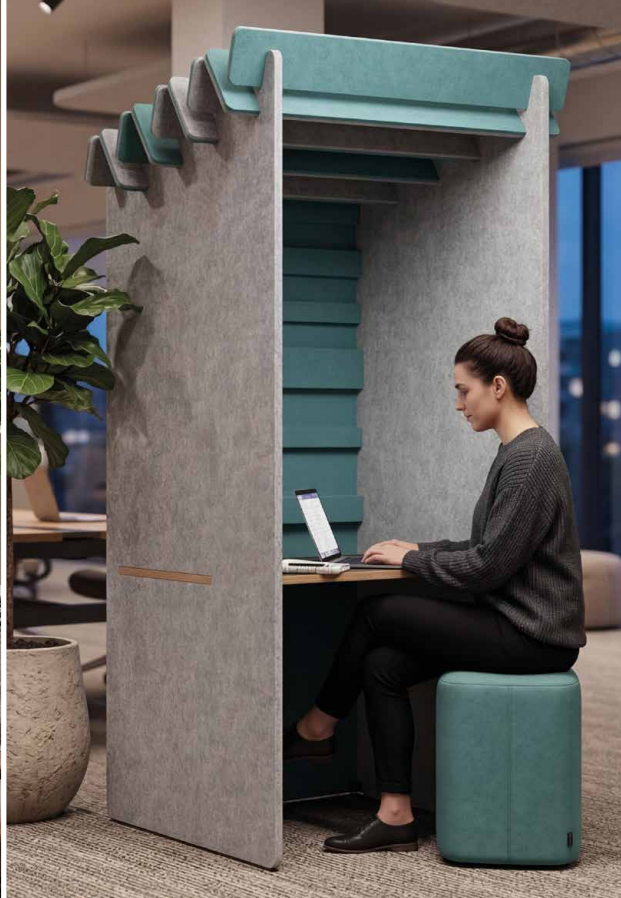

The collection is available in 24 colours, with selected options stocked for immediate delivery, giving designers, architects and businesses the flexibility to create quieter and more considered spaces.

Our Products:

- Pods
- Booths
- Lighting
- Wall Panels
- Desk Screens
- Bench Screens
- Freestanding Screens
- Ceiling & Wall Tiles
- Ceiling Grids
- Workspace Dividers
- Wood Slats
- Planters

Sustainable Office Design

Together with our manufacturers we are committed to providing superior products whilst minimising any adverse impact to the environment.

We recognise the importance of environmental protection and our duty to operate both responsibly and also in compliance with all legal requirements relating to the design, manufacture and distribution of furniture.

We aim to continually improve our environmental performance through the three Rs: reduce, reuse and recycle. We encourage our customers and suppliers to do the same. This not only makes sound commercial sense; we all have a duty of care towards future generations.
